

Jakaria Saikat Dhrobo

dhrobosaikat4@gmail.com | +8801979071277 | Kishoreganj, Bangladesh

Professional Summary

I'm Saikat, an IoT and Robotics Engineering student from Bangladesh with a strong interest in technology and digital marketing. Currently focused on SEO, I aim to combine my tech background with a data-driven approach to help businesses improve their online visibility. I'm eager to learn, grow, and contribute as I work toward becoming an SEO consultant.
